Captain,

The vendor in the Fashion District does not have the shirt in stock that I wanted to show you. We have ordered one and as soon as it arrives, I will call you and bring it down to Central for you to share. The good news is that since the BID is going to be ordering the same shirt (but in yellow) the 'cost-per-shirt' is under \$20.00. I have attached a link that shows the snag-proof tactical polo shirt and the various colors – click on the Navy Blue. Again, I'll call you as soon as it comes in.
